

## Brief Company Profile and Introduction

CETI Consultants Inc., Canadian Education, Travel and Investment, is a registered and licensed Canadian Company, with head office in Vancouver, British Columbia, since 1987.

We specialize in Investment, International Education, Travel, Import/Export, Real Estate Developments, & business connections. In short, we offer fully-comprehensive consulting services, offering clients expert advice and innovative solutions.

As well as our head office in Vancouver, we also have a partnership in Mexico, with agents in China (Beijing), Korea (Seoul) and opening in mid 2012, in Saudi Arabia (Riyadh).

**INTERNATIONAL EDUCATION:** Canada enjoys an international reputation for innovative teaching and achievement of internationally recognized qualifications. It offers international students outstanding opportunities to further their education and the means to achieving their goals.

For each application, we first assess a student's eligibility to apply for education in Canada, and depending on each student's education and transcripts, and the course of study they wish to pursue, we select a suitable college or university to submit a formal application. Thereafter we help them through the process of Canadian study visa applications. We find that many of our students from overseas seek to pursue academic courses in Canada, and therefore we specialize in university education.

We further assist students with accommodations, Travel, Transportation and Guardians if required.

**Academy: Bachelor, Master and PHD Programs:** CETI's Education Department represents many of Canada's top public & private Universities and Colleges, as well as in USA, United Kingdom, Australia, New Zealand and Mexico. We also offer Student Exchange Programs with overseas Universities, as well as Spanish Immersion Courses at the UNAM Campus in Taxco, Mexico's premier university. Initially, if required, we place the students into public or private English schools, where they will study English to Canadian Universities admission standards, IELTS level of 6.5 for undergraduate program, and 7.0 for a graduate program. We will then prepare the student for acceptance with proper application forms, resumes, and letters of intent.

**TRAVEL:** All sorts of regular travel agency services, flights, hotels, Sun destinations packages, Cruises, Rail, Coach, adventure tours, rentals & travel Insurance. In addition we specialize in student tours, University and college field and study tours, and Senior Escorted bus tours.

Our tour department will organize custom tours and travel anywhere, religious and Pilgrimage tours, Senior groups, event tours, Student groups. Having partnership with a major tour operator in Mexico City, We specialize in Escorted Tours to Mexico, Colonial, Culture, Beach and Pilgrimage Tours to various parts of Mexico which would incorporate the Shrine of Our Lady of Guadalupe.

**CETI SPECIAL BUSINESS TOUR:** These tours are designed for International Businessmen to visit Canada to view all the business potentials available in Canada, as well as sightseeing and meet the people of Canada, see our cities, wild life and the incredible natural beauty of Canada.

Appointments are made during the tour for investors to view investments of their choice, Canadian businesses for Import/Export relationships, attend seminars, and meet Government officials, Bank representatives, Real Estate Developers, and Canadian Lawyers for any business matters.

**INVESTMENT:** CETI Investment department is responsible for providing relevant and up-to-date information about various aspects of business development and market information for international companies. Our Specialized international business consultants convey information about foreign business investments, opportunities, competitive companies and even information about business practices and legal implications of owning a business in Canada.

We assist International Businessmen to invest in Canada in their choice of investments, set up appointments with Canadian Organization to view the appropriate investments in Canada.

We connect Canadian Businesses with International relationships with Canada. In business we work with Canada Export, Ministry of Agriculture & Food, Real Estate Developers, Various Canadian Businesses, and Business and Immigration Lawyers.

**Real Estate:** One of the key investment opportunities is development lots which investors can decide what they would like to do with the lot. They purchase- Private Residence, Office/Apartment Building, etc.

Of prime importance is a Hotel project at Britannia Beach, BC, located on Vancouver side but close to Whistler, North America's top ski resort where accommodation during season is at its prime and mostly sold out. We already have the plans for this project and are looking for investors.

This hotel will be the first green environment friendly hotel in BC and maybe even in Canada.

Another investment opportunity we have is a Luxury Waterfront Condominium Building Project in Harrison Hot Spring, BC. The project would incorporate various types of Suites, to be sold at starting price of \$298,000 each. All building and zoning permission have been received, and plans available.

Both investment projects are available for viewing by appointment.

We invite you to check out our informative Website, and we look forward to discussing the potential for partnering with you and representing you in many of our services.
